Transfer admission

Attending a community college is a great way to save money, transition to a university environment and still get all the benefits of a world-class education.

Admission requirements

- Complete 60 semester (90 quarter) units of UC-transferable credit. No more than 14 semester (21 quarter) units may be taken Pass/No Pass.
- Earn an overall 2.40 GPA or higher in all UC-transferable college coursework (2.80 GPA required for non-residents).
- Complete and earn a grade of C or better in the following UC 7-course pattern:
 - a) Two courses in English composition (UC-E)
 - b) One course in mathematical concepts and quantitative reasoning (UC-M)
 - c) Four courses chosen from at least two of these subject areas
 - arts and humanities
 - social and behavioral sciences
 - physical and biological sciences

Fall 2023 admitted transfer student profile

Admit Rate: 64.5% | GPA: 3.43 - 3.89

Selection Process

To be a competitive candidate, you must be well-prepared with coursework in your intended major and maintain a **GPA of 2.80 or higher**; candidates for admission to the College of Engineering should maintain a **GPA of 3.10 or higher**.

Transfer Admission Planner (TAP)

uctap.universityofcalifornia.edu

The UC TAP is an online tool that helps prospective UC transfer students track and plan your coursework. It even populates your application when you are ready to apply for a TAG or UC application!

Transfer Admission Guarantee (TAG)

ucdavis.edu/tag

The UC Davis TAG offers California community college students a guarantee of admission. Applicants must meet additional course and GPA requirements.

Transfer Opportunity Program (TOP)

ucdavis.edu/top

Students attending participating Northern California community colleges work with a dedicated UC Davis Undergraduate Admissions advisor to plan their transfer to a UC campus.

Majors Key

- C** Major not available for TAG
- L** For entering freshmen and lower-division transfer students
- M** Major also available as a minor
- P** Apply to Pre-Landscape Architecture
- T** Transfer applicants must complete specific preparatory

Selective Majors

ucdavis.edu/selective-requirements

Applicants to selective majors must meet additional preparatory course and GPA requirements. Courses must be taken for a letter grade with no grade less than C or be satisfied by either Advanced Placement (AP) or International Baccalaureate (IB) Higher Level examination score equivalencies. All course requirements must be completed by the end of spring term before fall enrollment.

Students are expected to take courses comparable to the UC Davis course requirements as long as they are offered at the California Community College (CCC) they currently attend. When the ASSIST website at assist.org indicates “no comparable course” or “no course articulated,” the selective major course requirement will be waived for UC Davis admission/TAG but must be completed after enrolling at UC Davis.

College of Agricultural and Environmental Sciences

Biotechnology

Complete the following courses and maintain a 2.50 GPA in each of the following two series:

- Chemistry 2A/B/C
- Mathematics 16A/B **OR** Mathematics 17A/B **OR** Mathematics 21A/B

Complete one of the following courses with 3.00 GPA:

- Biological Sciences 2A **OR** 2B **OR** 2C
- Additional recommendations:
 - ◊ Biological Sciences 2A/B/C (maintain a 2.5 GPA in the series if more than one course is completed)

Landscape Architecture, Pre

Students who wish to major in Landscape Architecture must apply to “Landscape Architecture, Pre.” Contact the Landscape Architecture Advising Office at 530-754-8628 or visit humanecology.ucdavis.edu/lda for details.

Viticulture and Enology

Complete the following courses and maintain a 3.00 GPA in the entire group of courses:

- General Chemistry 2A/B/C
- Organic Chemistry 8A
- Mathematics 16A
- Physics 1A/B **OR** Physics 7A
- Biological Sciences 2A

This major also includes recommendations that impact the admissions GPA:

- Additional recommendations:

Maintain 3.00 GPA as you complete the following recommended courses:

- Organic Chemistry 8B
- Mathematics 16B
- Plant Sciences 2

Managerial Economics

Complete the following required courses and maintain a 2.00 GPA in the entire group of courses:

- Economics 1A/B
- Mathematics 16A/B/C **OR** Mathematics 17A/B **OR** Mathematics 21A/B
- Statistics 13CS

College of Biological Sciences

All majors in the College of Biological Sciences are selective. Applicants must complete the following courses and maintain a 2.50 GPA in each of the following three series:

- Mathematics 17A/B/C **OR** Mathematics 21A/B
- Chemistry 2A/B/C
- Biological Sciences 2A/B/C

College of Engineering

All majors in the College of Engineering are selective and have additional transfer requirements. Overall UC-transferable coursework must meet a minimum 3.10 GPA and a technical 3.20 GPA; Computer Science requires a 3.4 GPA for each series. TAG applicants must achieve a minimum overall 3.50 GPA in UC-transferable coursework and a 3.50 in their major preparation GPA.

- Chemistry 2A (not required for Computer Engineering)
- Mathematics 21A/B/C/D
- Mathematics 22A/B
- Physics 9A/B
- Physics 9C (not required for Environmental Engineering)

Grow beyond

ucdavis.edu/career

UC Davis prepares students for graduate school or a career after graduation. Employers love Aggies!

We launch careers:

- Recruiters from over 3,000 companies—such as Apple, Amazon, Dupont and Genentech—seek our graduates.
- Internship and Career Center offers resume help, career fairs and internship connections.
- Professors and academic departments introduce students to industry professionals.
- UC Davis helps grow startup companies and supports student entrepreneurs through the Student Startup Center.

Ranked 2nd in top public university performers on **social mobility**.

Over 80% of UC Davis students who apply to graduate school attend their first- or second-choice institution.

50% of our undergraduate students conduct research and creative projects **beyond the classroom**.

Supportive community

ucdavis.edu/community

At UC Davis, we learn by working together and thrive by helping each other achieve.

- Classmates share study time and professors are accessible for learning support
- Student government offers leadership and oversees key campus services
- First-Generation Initiative connects first generation students with faculty

5th greenest university in the world

2nd best public university in the nation
